4.0 Attendance Information for parents

Introduction

All children of compulsory school age have the right to an efficient full-time education, regardless of age, aptitude, ability and any special needs s/he may have. The Education Act of 1996 states that a parent is responsible for ensuring their child attends regularly and punctually. Regular school attendance is essential if a child is to make the most of the educational opportunity available to them.

Birch Hill Primary School takes seriously its responsibility to monitor and promote the regular attendance of all its pupils. It acknowledges that irregular attendance seriously disrupts continuity of learning, undermines educational progress, can lead to underachievement and low attainment and impedes the child's ability to develop friendship groups within school.

Good attendance at school is essential for a pupil's education and establishes a positive working ethos early in life. 100% attendance is certainly possible, but in the event of your child being away from school it is essential that you, the parent, inform the school of the reasons for absence.

Pupils are expected to attend school for the entire duration of the academic year, unless there is an exceptional reason for the absence. There are two main categories of absences:

- **Authorised Absence:** is when the school has accepted the explanation offered as satisfactory justification for the absence, or given approval in advance for such an absence.
- **Unauthorised Absence:** is when the school has not received a reason for absence or has not approved a child's absence from school after a parent's request.

Please be aware that when a parent telephones the school with information that their child is unable to attend due to illness, or other circumstances, this may not be automatically authorised. Your child's current and previous school attendance will be taken into consideration and as a result the absence may not be authorised.

Keeping your child off school with minor ailments such as a headache or slight cold is not acceptable. Repeated absences will require us to request that you obtain medical evidence from your doctor's surgery. This may be in the form of a date stamped compliment slip confirming your visit, or prescription or medicine bottle. Any of the above is to be shown to a member of the school office. (Please note: that the school is not asking any parent to incur a charge for such information and will not be liable for the cost).

There is a clear connection between regular attendance and achievement. As attendance deteriorates, so does performance, achievement, friendship circles and self-esteem.

The achievement and maintenance of high levels of attendance is the shared responsibility of parents, guardians or carers, School with its Governing Body and the Local Authority.

5. Recording attendance

5.1 Attendance register

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made

Pupils must arrive in school by **8:50** on each school day

The register for the first session will be taken at **8:50**

The register for the second session will be taken at **13:00 (EYFS and KS1), 13:15 (Y3/4) 13:30 (Y5/6)** will be kept open until **13:30**

5.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by **8:50** or as soon as practically possible by calling the school office (see also section 7).

The Family Support Advisor / Attendance Officer (or a member of the office staff) will telephone parents on the first morning of an absence if notification has not been received.

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school can ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

5.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence, giving at least 2 weeks' notice. Go to section 5 to find out which term-time absences the school can authorise.

The request, to be made by the parent with whom the child normally resides, must be made in writing using the "Application for Leave of Absence During Term Time" form available from the school office.

The request must include the reason why it is felt necessary to take leave during term time (the "exceptional" circumstances).

- Leave of absence will only be granted where the Head teacher considers it is due to 'exceptional circumstances'. Parent will be informed by letter within 7 school days as to whether the request has been authorised or unauthorised.

5.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

If lateness persists, we will send reminder letters to parents/carers. We may also call a meeting with the Family Support Advisor/Attendance Officer, and/or including our external Welfare Service (WPA).

5.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may contact Social Care or the Police
- Identify whether the absence is approved or not

- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer

5.6 Reporting to parents/carers

The school will regularly inform parents about their child's attendance and absence levels.

6. Authorised and unauthorised absence

6.1 Approval for term-time absence

The headteacher will only grant a leave of absence to a pupil during term time if they consider there to be **'exceptional circumstances'**. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least two weeks before the absence, and in accordance with any leave of absence request form, accessible via the school website or school office. The headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, barges (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision

6.2 Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

7. Strategies for promoting attendance

We celebrate excellent attendance throughout our school, by the following action:

- In assemblies we award classes where there is consistent high attendance
- The school awards a certificate to the winning class
- The school awards a shield to the class with 100% attendance for that week

8. Attendance monitoring

8.1 Monitoring attendance

The school will:

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

The school will:

- Provide regular attendance reports to Senior Leadership Team and other school leaders, to facilitate discussions with pupils and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance
- Involve our external Education Welfare Service – WPA

9. Children Missing in Education

Children will be reported as Missing in Education to the Local Authority for the following reasons:-

- The school is informed that a child is leaving, but no new school is confirmed within five days
- The school is informed that a child is going abroad, but is not given full details of the child's new home address and new education provision
- A child stops attending, or fails to return from holiday, without explanation
- A child is allocated a place at a school, but there is no contact from the parents/carers, or the child does not start as arranged
- A child is permanently excluded from school
