

Sport Premium Report – September 2019

Our aim of the Sport Premium funding is to ensure that all teachers are able to provide high-quality PE and games lessons. We also want our children to have the opportunity to participate in a variety of sports activities, develop their leadership opportunities and for our School Teams to participate in more sporting competitions. In addition, we want all of our children to develop an understanding of the importance of healthy living (both physical and mental).

The grant budgeted for the academic year 2019/20 is £19,488

Budget	Allocation £
