Quick Start Guide

New to Microsoft Teams for Education? Use this guide to learn the basics.

The screenshot shows the Microsoft Teams application interface. At the top is a dark blue header bar with the 'Microsoft Teams' title, a search bar labeled 'Search or type a command', and a user profile icon. Below the header is a left-hand navigation pane with icons for Activity, Chat, Teams, Assignments, Calendar, Calls, Files, and Apps. The main area displays 'Your teams' with five team tiles: Physical Science, Health Research, Pineview School Staff, Pineview School Science Teachers, and Algebra. Each tile has a unique icon and a three-dot menu icon in the top right corner. A 'Join or create team' button is located in the top right of the main area. Surrounding the interface are several callout boxes with lines pointing to specific features.

What is a team?
You can create or join a team to collaborate with a certain group of people. Have conversations, share files and use shared tools with the group – all in one place. That group could consist of a class of students and educators, a group of staff and educators collaborating on a topic, or even a group for a student club or other extracurriculars.

Microsoft Teams for Education

Class teams

Class teams provide special capabilities tailored for teaching and learning

Add channels and manage your team

You can change team settings, add members to the class team and add channels.

Open Class Notebook

Class Notebook is a digital binder you can use in your class to take notes and collaborate.

Open Assignments and Grades

Assignments allows educators to create and distribute assignments. Students can complete and turn in their assignments without leaving the app. Educators can use the Grades tab to provide feedback on assignments and track student progress. Students can see their progress, too.

Every team has channels

Click one to see the files and conversations about that topic, class unit, or week in the course. You can even have private channels for group projects!

Every team comes with a General channel. Open channel settings to add new channels, manage notifications and other settings.

Format your message

Add a subject, format text, convert the message to an announcement, post across multiple teams or control who can reply and more.

Add tabs

Explore and pin applications, tools, documents and more to enrich your class. We're constantly adding more education specific tabs. Check back often.

Share files

Let class members view a file or work on it together.

Start a discussion with the class

Type and format your message or announcements here. Add a file, emoji, GIF, or sticker to liven it up!

Add more messaging options

Click here to add new messaging capabilities like polls, Praise, and more to enrich classroom discussion.

Add new meeting

Schedule a new meeting for live discussion with up to 250 people or schedule a live event for a broadcasted event with a wider audience.

Invite individuals to a meeting

Invite one or more individuals to your meeting. Meeting recordings and resources shared during the meeting will be organized within the meeting history item in your Chat view.

Invite a channel to a meeting

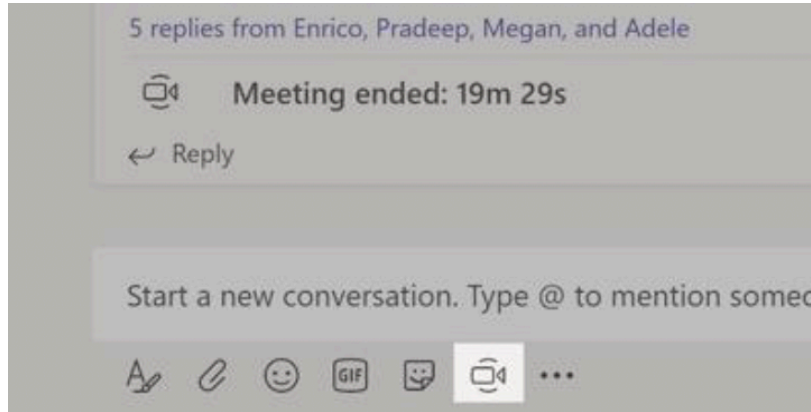

Invite your whole class or working group to a meeting by selecting a channel to host the meeting. Meeting recordings and resources shared during meetings will be organized within the selected channel.

Microsoft Teams for Education

Schedule a meeting with your team or class

Hold classes, staff collaboration meetings, or trainings over online meetings

Click **Meet now** under the message box to start a live meeting in a channel. If you click **Reply** to a message, then the meeting will be attached to that conversation. If you wish to start an independent meeting that is not tied to a channel, then follow the instructions on the previous page by selecting **Calendar > New Meeting**.

You can invite people to the meeting or ask them to join it directly from the channel.

Select **Meet now** to start the meeting right away or **Schedule a meeting** to schedule the meeting for the future. Members of the channel will see an invitation for the meeting in their calendar if you decide to schedule it for later.

Make video and audio calls

Click **Video call** or **Audio call** to call someone from a chat. To dial a number, click **Calls** on the left and enter a phone number. View your call history and voicemail in the same area.

Reply to a conversation

Channel conversations are organized by date and then threaded. Find the thread you want to reply to, then click **Reply**. Add your thoughts and click **Send**.

@mention someone

To get someone's attention, type **@**, then their name (or pick them from the list that appears). Type **@team** to message everyone in a team or **@channel** to notify everyone who favorited that channel.

Add an emoji, meme, or GIF

Click **Sticker** under the box where you type your message, then pick a meme or sticker from one of the categories. There are also buttons for adding an emoji or GIF. Search for MicrosoftEDU in the GIF search box for extra fun!

Microsoft Teams for Education

Stay on top of things

Click **Activity** on the left. The **Feed** shows you all your notifications and everything that's happened lately in the channels you follow. This is also where you'll see notifications about your assignments.

Add a tab in a channel

Click + by the tabs at the top of the channel, click the app you want, and then follow the prompts. Use **Search** if you don't see the app you want.

Share a file

Click **Attach** under the box where you type messages, select the file location and then the file you want. Depending on the location of the file, you'll get options for uploading a copy, sharing a link, or other ways to share.

Work with files

Click **Files** on the left to see all files shared across all of your teams. Click **Files** at the top of a channel to see all files shared in that channel. Click **More options ...** next to a file to see what you can do with it. In a channel, you can instantly turn a file into a tab at the top!

Microsoft Teams for Education

Search for stuff

Type a phrase in the command box at the top of the app and press Enter. Then select the **Messages**, **People**, or **Files** tab. Select an item or click **Filter** to refine your search results.

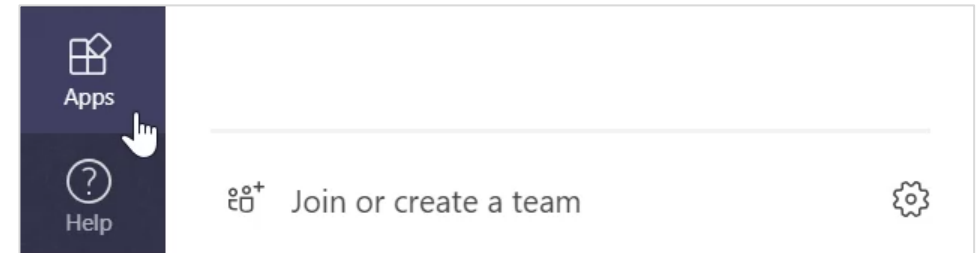

Find your personal apps

Click **More added apps** to see your personal apps. You can open or uninstall them here. Add more apps under **Apps**. These apps provide an aggregate and global view of that content type.

Add apps

Click **Apps** on the left. Here, you can select apps you want to use in Teams, choose the appropriate settings, and **Add**.
