

Going Back to School

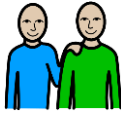

If your child is worried about going back to school please read this with them each day in the week before their return. Social stories can be very helpful in times of change to reduce worries and support successful transition back into school.

I'm  going  back to  school?

 My school  has been  closed because of  Coronavirus.

 Coronavirus is  not  spreading as fast as it was.

It's now  safe  to go  back to school.

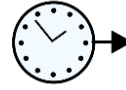

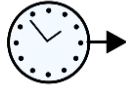

When I go  back to  school I  will  get to see some of my  friends. 

When I go  back to  school I  will  get to see  my  teachers.

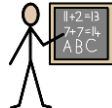

The  first day that I  will  go back to school is Monday 8th June.

It has been very different while my school has been closed.

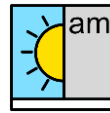

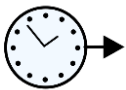

Now that my school is going to open, it will be more normal.

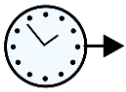

I may have a different teacher and classroom.

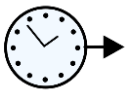

I will not be able to hug my teacher. I can wave and smile.

I will travel to school in the morning.

I will have lessons and play outside lots.

I will travel home at the end of the school day.

Going to school is important.

Going to school

is

good

for

me.

It is

good

that

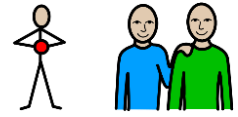

I can

go back to school

and

see some of my friends.

It is

safe

to

go to school.

If I am

sad

or

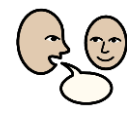

worried

about

going to school

I can

talk to

an

adult.
