Dear Parent/Carer,

Following tonight's announcement that the Government are to close all schools and nurseries on Friday until further notice, I wanted to reassure you that we are working with the Local Authority and following updated Government guidance to manage this extremely difficult situation.

As soon as I have more information I will of course update you.

In the meantime, please **email** the school office (do not phone) if you believe you fall into one of the key Worker categories below. Please give your child's name, and the name, job title and employers contact details of the key worker parent. We will then be in touch to explain more about the provision that we will be providing.

Thank you for your continued support at this current time.

Key worker Role (a definitive list will be confirmed by the Government tomorrow)
NHS staff, teachers, nursery nurses, police, firefighters, prison officers, probation staff and delivery drivers.
