Hello everyone,

COVID19 Update

On Friday the government asked all schools across the country to close in order to keep us all safe from the coronavirus. This was a sad time for many of us but we know we are doing the right thing to keep you and your family safe. You can help do this by staying at home. We don't know how long we will be closed for, but it will be the Easter holidays soon and we may have more information about the Summer term then.

While we are closed, we would like to keep in contact with you and are currently looking at different ways to make this happen. We will let you know more details in the coming week.

To help you with your learning, we are putting Home Learning Resources on line and these can be accessed through the school website.

We are all thinking of you and your family and hope that you are all well and safe.

We are here to help so if you have any questions or ideas please ask your parent/carer to email us and we will get back to you,

Best wishes
