## COVID19 Update - Summer Term

Hello everyone,

You may have seen that last night the government asked all schools to remain closed and continue with the lockdown for at least another three weeks.

While this continues to be a very challenging time, we know that by staying at home we are all helping to stay safe. At the moment, we still do not know how long we will be closed for and how the government will ease the restrictions. We hope that after this lockdown period, we will have some more information.

To help you with your learning, teachers have been busy writing Home Learning Packs - although we didn't set any for the Easter holidays!

You will see next week's theme is the Environment and teachers have prepared some exciting activities for you to do. They have also made a short, welcome video for you. If you have any work on the environment that you would like us to post, please send it through to [homelearning@birchhillprimaryschool.co.uk](mailto:homelearning@birchhillprimaryschool.co.uk) You may even get a special shout-out in next week's video!

We have also purchased Purple Mash for you to use and hope this helps you with your learning. You may have already had a play with it over Easter. Mrs Lacey has now sent your parents an individual login for you to use. Your teacher will begin to set some home learning for you to do on this; you can also upload work for them to see.

We all miss you and school is not the same without you. We are all thinking of you and your family and hope that you are staying well and safe.

As I said before, we are still here to help so if you have any questions or ideas please ask your parent/carer to email us and we will get back to you,

[secretary@birchhillprimaryschool.co.uk](mailto:secretary@birchhillprimaryschool.co.uk)

Best wishes,

Michael M

Mr Dillon and the staff at Birch Hill Primary School
