Dear Parent/Carer,

COVID19 Year 6 Class Bubble

As you know, we are sending out permission letters for these new groups (bubbles) with more details of final arrangements regarding starting on 8th June.

We have agreed to open in phases. Phase 1) - will have nine bubbles; **Class bubbles** (Nursery, Reception and Y1) and **Key Worker & Vulnerable children Bubbles** (Infants, Y3, Y4, Y5, Y6). Phase 2) - we will look at opening more bubbles, but have not agreed a specific date. Please contact the school office if you have any questions regarding these arrangements or requesting a place in a bubble.

Unfortunately, we are not able to open a Y6 bubble at this time as the demand for places for Key Worker children has increased and the government have said this is the priority. We hope to be able to do this, and will keep you updated over the next few weeks.

Miss Hodge and Miss Garnham are thinking carefully about how we can say goodbye to Year 6. We are hoping to be able to say goodbye to them, in person, in some way before they start secondary schools.

I am sorry for any disappointment at this stage, I hope you understand that we need to be driven by government guidance.

Yours sincerely,

Michael Dillon
Headteacher
