BIRCH HILL PRIMARY BREAKFAST AND AFTER SCHOOL CLUB, REOPENING SEPTEMBER 2020

We are pleased to inform you that KOOSA Kids breakfast and after school club at Birch Hill Primary School will be reopening in line with the children returning to school in September, assuming current guidance remains unchanged.

We are awaiting a further update to the wraparound childcare 'protective measures' guidance from the Department for Education, due later this month, which will inform us exactly how we are able to reopen in a 'Covid-Secure' way, however please find below some of the measures we anticipate will be in place from September;

- Children will be grouped into bubbles and bubbles will not be able to mix throughout the session
- We will be introducing greatly enhanced cleaning and hygiene procedures throughout
- The activities and resources provided will be adapted for hygiene reasons and ease of cleaning
- Where the weather allows, staff and children will spend as much time outside as possible
- We will introduce contactless sign in/out with all parent drop off's/collections taking place outside

Please find below further details about our breakfast and after school club at Birch Hill Primary;

BREAKFAST CLUB

- Open every school day from 7.45am until school start and based from the School Hall.
