GYM

SCL's Gymnastics Club is a fun, enjoyable after school club which allows the children to learn and improve their co-ordination and skills using different apparatus and equipment each week. Included in the programme are partner balance work, fun gymnastic warm up and cool down games and group gymnastic displays.

BENEFITS TO CHILDREN AND PARENTS

Children will be engaged in a fun and educational programme, learning new skills and techniques in each session. Whilst children will be encouraged to develop, the focus is always on enjoyment. Parents will have the benefit of an extra hour at the end of the school day, safe in the knowledge that their children will be learning and having fun in a safe environment.
