Relationships, Sex, and Health Education Policy & Curriculum

Dear Parents and Carers,

The Department for Education announced changes to relationships and sex education (RSE) which came into effect from September 2020. All schools are required to comply with the updated requirements. This means that we need to review our Relationships, Sex and Health Education curriculum as well as the policy so we can be sure our RSHE provision is appropriate for our pupils based on their:

- Age
- Physical and emotional maturity
- Religious and cultural backgrounds
- Special educational needs and/or disabilities

We need your feedback to help us do this.

Here's how you can help:

Fill in the consultation questionnaire via Forms (click the link to access):

<https://forms.office.com/r/Je9wXn26jK>

We are running Question and Answer session via Zoom on Tuesday 30th March at 5pm. If you'd like to participate, the link will be sent out nearer the date of the meeting. The session should take no more than 40 minutes.

To help you understand the curriculum requirements, please read the "Jigsaw Information Leaflet" on our website <https://www.birchhillprimaryschool.co.uk/page/?title=JIGSAW&pid=651> (paste into browser) which gives information on what all pupils are expected to know by the end of primary school. If you're joining the Zoom meeting, please read this before the meeting.

Thank you for your time.

Yours sincerely,

Mr Len Hughes-White (Deputy Head)
