## Sports Week Special Edition

Due to COVID restrictions, things have happened differently this sports week. All classes had the chance to participate in Sports Week events over the course of this half term. Within their usual PE classes, children practiced and competed in all areas of athletics events.

We decided to run the 'Sports Day' more in the style of the Olympics due to the 2021 Tokyo Olympics. After 3-4 weeks of PE lessons focused on practicing and competing in the events, the children were asked to nominate a member of their house team to compete in the finals of the Birch Hill Olympics. All nominations competed within their classes on the event day and points were added together to decide the winning house. The children throughout the school thoroughly enjoyed participating in classes and within the finals of the event.

After a great afternoon of athletics, the winning house was Earth. The house cup was awarded in today's assembly where the Year 6 house captains graciously accepted. **Amy Stark—PE Leader**
