

It has been a busy few weeks! Last week we celebrated Shrove Tuesday and some classes made pancakes, and on Friday we all dressed up for World Book Day - all the children and staff looked amazing. Thank you to everyone who came to our online Parents Evening this week – Reports and Support Plans will go out shortly. I hope you found them useful and informative. If you had difficulty getting online or missed your appointments, please contact the school office and we will rearrange a new one for you. This week several Year 5 children visited Ascot Racecourse to participate in their Bake Off event. Next week we're getting ready for National Science Week.

Ukraine Appeal

Over the last few weeks, we have been talking to the children about the situation in Ukraine. We know that some children are immediately affected with family and

friends there and in Russia. If you would like any advice on how to talk to your children about this, please let us know.

We have been asked by a local charity for donations of warm or thermal socks. If anyone can help, please drop them off with your child's class teacher or into the office. As we will be concentrating on helping the Ukraine appeal, we have decided not to take part in Red Nose Day this year.

Ascot Racecourse Jubilee Bake Off

'Going to Ascot was a big opportunity for us! It was all very good fun but my favourite bit was when we all set up the table. Despite us not winning it was fun, we tried our hardest and it was worth it! We also had a tour of the racecourse and walked passed the Queen's Royal Box! - Gagan
'We met famous chefs! My favourite part was the afternoon tea; we had an exquisite buffet which included lots of pastries and desserts' – Anaum.
