Dear Parent/Guardian,

### Our school milk scheme – Reception Children

Our school provides a milk scheme that is available to all of our pupils and we would like to invite you to register your child. School milk is free for under-5s, and for over-5s it is available at a subsidised\* (around £14 per term).

Each child that registers with Cool Milk will receive a 189ml portion of semi-skimmed milk every day, delivered fresh and chilled to the classroom. Their school milk will not only provide them with essential nutrients, but as it is rehydrating and energy boosting it also bridges the gap between breakfast and lunch to help children stay focused..

#### How to register

If your child is under five:

- Register online at [www.coolmilk.com](http://www.coolmilk.com)
- Register by a Tuesday at 5pm for your child's free milk to start the following week
- Free milk will continue until the Friday before your child's fifth birthday. You will receive a payment request four weeks before their birthday - if you wish your child to continue to receive school milk, simply make a payment

If your child is five or older:

- Register and pay online at [www.coolmilk.com](http://www.coolmilk.com)
- You can pay Cool Milk either online, over the phone or at a local PayPoint in half-termly, termly or annual instalments.
- Please pay by a Tuesday at 5pm for your child's milk to start the following week

If you have any questions regarding school milk please visit [www.coolmilk.com](http://www.coolmilk.com) or contact Cool Milk directly on 0800 321 3248. More information on milk is also available from the school. **Children who are eligible for benefits-based Free School Meals can continue to receive free milk paid for by school. You will be sent separate information about how to apply for Free School Meals and the benefits for you and the school in September.**

Kind regards,

Head teacher
