### Wilde Week Event at South Hill Park Arts Centre

Dear Parents and Carers,

Further to our previous communication about the forthcoming event at South Hill Park, we have a couple of requests:

- **Junk Modelling:** One of the sessions that the children will take part in is a junk modelling activity. We will be taking contributions of recyclable materials for this session in the week leading up to the event (week beginning **Monday 11<sup>th</sup> July**) all contributions will be gratefully received.
- **Photographs:** The event organisers have asked that we collect parent permission for photographs to be taken during the event. These photographs may be used for marketing materials for South Hill Park.

Please fill in and return the permission slip below.

With Regards  
The Year 3 Team
