Lexicon recording and Concert

Dear Parents and Carers,

Further to my previous email, I have now received some more details about our involvement in the Lexicon Event to share with you.

The school choirs will be singing the song for a new giant who will be an active part of the Forest Guardian Glade at the Lexicon, in Bracknell, from 24th August to 4th September during the Bracknell Forest Festival. I will be sharing the identity of the new giant with your children this week, but they will be under strict instructions to keep it a secret!

The event organisers are very keen for the choirs to take part in a live performance opportunity during the festival. Planning is in progress to have a Birthday Proms stage at the Lexicon on **Saturday 3rd September** starting at **4.30pm**. I don't yet have the full details and it has not been confirmed that we will definitely be included, but I need an idea now of how many children might be able to attend. I am hopeful that our current Year 6 members will be willing to come and join us!

In anticipation of the recording, I have attached a document with a link to the movie of last year's event so that you can all see the original Giants in action.

The website for the event will be launched mid-July and will use photos taken from the recording session. I will send out a link once it is live.

If your child will be able to attend the proposed concert in September, please complete and return the form below.

Kind regards
Mrs Davis
