Why did London Burn?

September 2022

The background of the entire page is a detailed, historical-style illustration of the Great Fire of London. It shows a dense cluster of wooden buildings, many of which are on fire, with thick black smoke billowing into the sky. In the foreground, there are figures of people, some on ladders, suggesting the chaos and scale of the disaster. The color palette is dominated by the oranges, yellows, and reds of the fire, contrasted with the dark greys of the smoke and the brown tones of the buildings.
