

**Year 5**

**Autumn Term 1**

**Who could survive on a  
mountain?**

**September 2022**

## Geography:

We will use maps, atlases, globes and the internet to explore the wider world. We will focus on comparing the features and size of the Grampian regions and the Rocky Mountains, whilst learning about mountain formations.

The children will learn about the Grampians in the winter and assess dangers that are faced by climbers.

## English:

**Writing:** Using research we will write a newspaper article looking at the journey up Mount Everest.

We will plan and hold a debate about the environmental impact of humans on mountains.

**Guided Reading:** Alex Rider - Stormbreaker

## Art:

Children will be learning to create a mountain scene with a focus on perspective and detailed mark making to build texture.

Purple Mash - Internet safety.

**E-safety:** Children learn about being safe on the internet and how to use secure websites to explore and research key topic facts.

Children will be introduced to coding.

# Who could survive on a mountain?

## PSHE:

Jigsaw - Being Me in My World

## French:

- Masculine & feminine nouns
- French food
- Health food
- Expressing opinion
- Expressions of emotions

## Physical Education:

**Indoor:** REAL PE - Cognitive Cog. Games: Throw tennis and Endball

**Outdoor:** Netball

## Maths:

Place Value

Addition and subtraction

Multiplication and division

### Fractions

Equivalent, improper, mixed, compare/order, add/subtract.
