## Reception families

'Magic Pebbles' workshops - **Tuesday 21<sup>st</sup>/Thursday 23<sup>rd</sup> February**

Your child needs YOU!

Dear Parents,

As part of our welcome to you and your child, you are warmly invited to join your child in school to find out more about Reception maths and have fun making a counting kit together. We have managed to book the Family Learning Team to help run this event - please come along straight after drop-off at **9am** - the session will finish by **10:30 latest**. Please go straight to the studio.

Resources and equipment are provided and there is no need for the person coming along to be 'good at maths' - it is a great opportunity to discover PRACTICAL ways to support your child's development in this key curriculum area and enjoy some quality 1:1 time with your small person.

The teachers and children look forward to welcoming you 😊  
Please sign up here.
