

Weekly Newsletter

31 March 2023

Welcome

It's been a busy and exciting term and I know everyone is looking forward to the holidays. Year 6 had an adventurous week in Wales, Year 4 performed Rock Pool and Year 3 also held their Poetry Recital & Fashion Show. We had our 'Take One Picture' Arts Week and Exhibition, celebrated Science Week, the football team played against Jennett's Park, and are practising hard for their next leagues matches, the Running Club have and we sent a team of Year 5 to the badminton tournament.

Next term will no doubt be equally busy with Year 6 SATs, transition days, as well as trips planned for Year 1, Year 2 and Year 3. Plus the residential for Year 4 and Friends are making plans for the Summer Fair will all make next term exciting and something to look forward to.

Staffing

As you know, several members of staff have been off sick recently. We look forward to welcoming back Mrs Kerslake after Easter and Mrs Shiva will start a phased return from the beginning of May. Unfortunately Mrs Russell's recovery has not been straight forward and she has no confirmed date for return. Mrs Sehgal will continue to cover 4R. As soon as I have more information I will let parents know. I am pleased to welcome Ms Alana Smith and Mrs Radzinska who will be joining us as Teaching Assistants after Easter.

Academy Consultation

Below you will find a consultation link and some further information from Maiden Erlegh Learning Trust about us joining their Academy Trust. There will be an opportunity to meet with Jonathan Peck (CEO) and Andy Johnson (Director of Education) on **Thursday 20th April at 4:30pm**.

[Click here for consultation link](#)

I hope everyone has a restful and relaxing Easter holiday and look forward to seeing you all on **Tuesday 18th April**.

Michael Dillon - Headteacher

Year 6

Year 6 recently enjoyed an adventurous and exhilarating residential trip to Rhos-Y-Gwaliau in North Wales.

The children spent the week bravely challenging themselves to complete a number of daring activities including trekking to the summit of a mountain, descending down into the depths of a slate mine, studying (and swimming in!) a gorge, canoeing across a large lake, climbing across steep cliff faces and orienteering themselves back to the centre. The biggest challenge of all though was keeping their rooms tidy (especially for the girls!!)

It was a brilliant week for everyone and the children were a delight to spend time with. We were all very impressed with how much they stepped out of their comfort zones and pushed themselves to overcome their nerves.

We hope the children have brought home with them many fond memories to share!

Thankyou to all staff members also who gave up their time to support the children this week.

You can view all the photos from the trip on our website via this link:
