

## Welcome

Well done and huge congratulations to Year 4 on their performances of **'Rock Pool'** All the children were brilliant; with lots of singing, dancing, and acting. Many thanks to all the staff who made the shows such a huge success - Mrs. Corless, Mrs. Biggins, and Miss Bays, and especially to Miss Garnham for her encouragement, support, and direction.

Well done also to the Year 6 football team who played against Jennett's Park on Thursday night - although the result didn't go their way, they were all great.

Year 6 had a packed and adventurous week in the Welsh mountains (along with rain and snow) last week – we walked Mount Moel yr hydd, canoed over Bala Lake, ventured into an old mine, went gorge walking and whizzed down a zip wire. All the children were amazing. Many thanks to all the staff for giving up their own time to make the week so memorable for the children.

**Michael Dillon - Headteacher**

## Year 3

This term, Year 3 have been inspired by a new topic called 'How Can I Look After My World?' Over the past few weeks, we have been learning about the impact of pollution on our planet and the need for all of us to reduce, reuse and recycle.

Last week the children brought in an old t-shirt to upcycle. The children have learnt different skills in their DT lessons including hand sewing and tie-dyeing and have used these skills to upcycle their t-shirts! They looked amazing and the children thoroughly enjoyed the session.

#### Year 4

Over the last few weeks, Y4 have been working hard learning their lines, practising their dance moves and rehearsing their songs in order to put on a performance of an award-winning 'Rock Pool' to the rest of the school and their adults. Everyone looked amazing and sounded brilliant!

All the staff worked incredibly hard making costumes, directing and dancing - they were so busy that they forgot to take any photos so if parents have any, please do let us know!

Thank you to all involved and all who supported - keep your eyes peeled for some future Oscar-winners from our Y4 cohort!

#### Football

A very cold and wet game yesterday with an unfortunate defeat against Jennett's Park Primary School. The boys played fantastically, representing the school brilliantly as always.

With training continuing after the winter months, we are looking forward to future matches in the upcoming weeks. Congratulations to Ethan who received man of the match.

#### Helping in the Community

Theo in Year 3 helps out at the care home on the dementia floor where his Mum works. His Mum said 'He is a little natural and has so much love and care for these people and asks to go into work. He is in most weeks, we call it "Theo Therapy"'.

He socialises with them, plays the piano, balloon catch and just talks and listens to them and makes them laugh'.

## This week's Triple Thank You and Triple Star Awards
