

Here for families of seriously-ill children. Always.

Birchhill Primary School

Dear Mrs Shakespeare, Miss Hodge, and the year 6 students,

On behalf of seriously-ill children and their families, we would like to thank you for your kind donation of £776.67, that we recently received from the back of your multiple fundraising events at the school. We are very grateful for your support.

Sebastian's Action Trust supports families of seriously-ill children, walking alongside them from diagnosis, through treatment and beyond. We receive no government funding and rely entirely on charitable donations to provide our practical, emotional and financial support services to families who have life-limited or life-threatened children.

Your generous support will help children like ten-year-old George and his family to make memories that will last a lifetime:

'SAT has made a huge difference to our lives. Doing things with George we never thought possible, and things as a family where his sisters can join him doing fun things. Spending time with him as well as his family and just having the support is amazing. THANK YOU.' George's mum

We couldn't do this without you, thank you for making a difference.

Yours sincerely

Megan Lowden
