

My New Class 6K

In Year 6 Mrs Kerslake will be your class teacher.

The other Year 6 teacher is Miss Hodge.

Mrs Chick will also be teaching you in Year 6.

Other adults who will help you in Year 6 are

Mrs Partridge

Mrs Bonner

Mrs Higgs

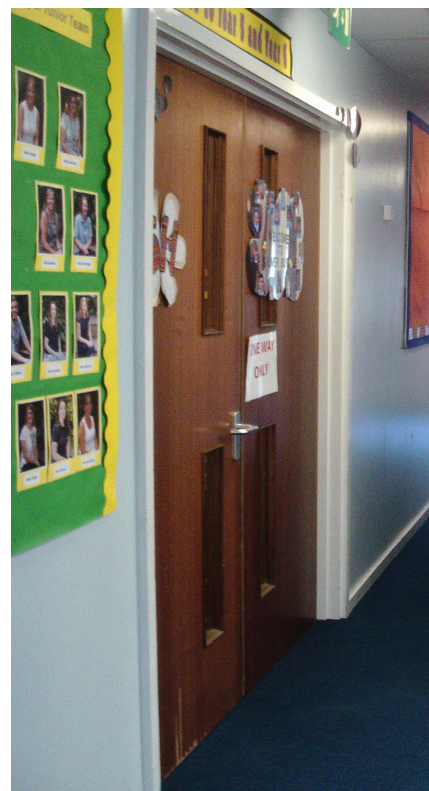

You can ask any of the adults to help you.

Our classroom is ours! It is a space where we work hard and persevere, even when we find things tricky. In our classroom, we are curious and ask lots of questions. We will celebrate making mistakes and view it as an opportunity to learn new things. We will support and respect each other, whilst striving towards our goals.

**These are some of the big questions
we might explore in Year 6:**

What can I learn from William Shakespeare?

How and why did life for children change during and after the Battle of Britain?

How do rivers transform our landscape?

SATs revision

How have I changed?

How will I change?

Our daily routine usually looks like this. It is similar to what you would have been used to in previous year groups.
