Reception families

'Magic Pebbles' workshops -

9-10:30am Tuesday 3rd/Thursday 5th October 2023

Your child needs YOU!

As part of our welcome to you and your child, you are warmly invited to join your child in school to find out more about Reception maths and have fun making a counting kit together. We have managed to book the Family Learning Team to help run this event. Please come along straight to the studio after drop-off. The session will finish by **10:30 latest**

Resources and equipment are provided and there is no need for the person coming along to be 'good at maths' - it is a great opportunity to discover PRACTICAL ways to support your child's development in this key curriculum area and enjoy some quality time with your small person.

Your kit.....

These sessions provide a wonderful (and rare!) opportunity for you to work 1:1 with your child and we would ask that younger siblings are not brought along on this occasion.

Please sign up at this link:
