In2music 2023/24 – class instrumental music lessons at school

Dear Parent/Carer

Your child is learning to play the recorder at school as part of a whole class In2Music project. Tuition is delivered by tutors from Berkshire Maestros, the music service that leads the Berkshire Music Education Hub.

In2Music gives children the exciting opportunity to learn through music and develop new instrumental skills. Learning an instrument is hugely beneficial to a child's academic learning too; it has been proven that because it requires the co-ordination of physical, intellectual and emotional activity, it can bring improvements to children's schoolwork overall. Your child should make good progress in class, engaging in a wide range of musical activities which will be fun and challenging.

We are asking for a voluntary donation of £5 to help towards the cost of this specialist music provision and this amount has been added to your Eduspot account.

With Regards

Mrs Davis
