

**Year 2**

**Autumn Term 1**

**What do I need to be healthy?**

**September 2023**

**Maths:**

**Place Value** - Throughout the term, children will explore place value. Here, they will learn that each digit in a number holds a value.

**Addition and Subtraction** - children will learn a range of skills involving addition, such as using a number line and a number square. They will learn how to subtract by counting back in hops and subtraction on a number line.

**English: Letter writing**

Children will write a letter to Jigsaw Jo telling it all about themselves. They will learn how to use full stops, capital letters, and commas for lists, expanded noun phrases and co-ordinating conjunctions.

**PSHE - Being Me in My World**

Children will look at hopes and fears for the year, rights and responsibilities, rewards and consequences, our learning charter as well as owning our learning charter.

**Science: All about Diet and Health**

In this unit, children will learn about what it takes to maintain a healthy body and lifestyle, primarily through a balanced diet, exercise, and taking care of their bodies. They will scientifically look into how they can monitor their health by completing a variety of fair tests, namely looking at how to measure liquid and temperature. By the end of the unit children will come to positive conclusions on how to stay healthy.

*What do I need to be healthy?*

**Physical Education: Personal Cog**

Children will learn how to challenge themselves, where they are within their own learning, how to persevere with a task, how to ask for help, how to complete simple tasks independently and how to follow instructions carefully.

**Art: Portraits**

Children will be introduced to artists such as Giuseppe Arcimboldo and Vincent Van Gogh whilst exploring different techniques and media in art.

**Religious Education**

Religion: Christianity

This term, we will be sharing and re-telling Bible stories that show kindness. Children will explore how this makes Christians behave towards other people. In this unit, children will explore the question of whether it is possible to be kind to everyone all of the time?

**PSHE: Being Me in My World**

Children will look at hopes and fears for the year, rights and responsibilities, rewards and consequences, our learning charter as well as owning our learning charter.

A Fist  
Amount of Rice,  
Cooked Pasta

**Computing:**

Children will learn about internet safety and explore computer coding.

Note to adults preparing meals for children:  
Use your child's hand to measure portion sizes.
