

Year 1 Home Learning Task.

Due to come into school on: Tuesday 17th October 2023

This half term we will be learning about different materials in our topic of 'What's it made from'.

We would like you and your child to make something (animal, building, robot etc.) out of the Junk Modelling you have in your home (Toilet rolls, plastic bottles, cardboard boxes, sweet wrappers, straws, yoghurt pots, newspaper etc.)

We are hosting a home learning exhibition for all Year 1 parents in the 1EB & 1KB classrooms on Tuesday 17th October 2023 at 2.40 – 3.00pm

We hope you can all come and support the children. We are so excited to see what you make.

If you have any questions please come and speak to your class teacher.

Kind regards,

Miss Browne & Mrs Bradshaw ☺
