

Support in the community Parent Coffee (or tea!) Session.

Do you want to know what support is out there for you?

We would love to invite you to this half terms parent's coffee (or tea!) session. The focus for this term is support in the community for families with children with additional needs. There will be lots of information shared about clubs and activities in the local area to for your children and family, both for term time and the school holidays. We are delighted to announce that Rebecca Durrant will also be there from the Short Breaks Team to with lots of information about activities your family can get involved in.
