

Autism Coffee (or tea!) Session.

Would you like to know what support is out there for you and your child?

We would like to invite you to this half terms parent's coffee (or tea!) session. The focus for this session is Autism. This is for families who have a child or children who have a diagnosis, are waiting on the CAMHs pathway or are considering the need for a diagnosis in the future. It is an opportunity to talk to staff and other parents about the process and ways to support your child / children.

Please confirm your attendance via the attached google form:
