

Challenging Behaviour Coffee (or tea!) Session.

Would you like to know more about ways to support your child's challenging behaviour?

We would like to invite you to this half terms parent's coffee (or tea!) session. The focus for this session is supporting your child through any challenging behaviours. This is for any families whose child sometimes or often presents with challenging behaviours. Mrs Moore (Behaviour Lead) will be running the session alongside Mrs McAllister (SENDCo).

It is a great opportunity to talk to staff and other parents about any behaviours you see and ways to support your child / children.

Please confirm your attendance via the attached google form:
