Transition Parent Coffee (or Tea) Session.

Would you like to know how to support your child through their transition into Year 7?

We would like to invite you to this half terms parent's coffee (or tea!) session. The focus for this session is supporting your child through their transition into Year 7. This is for all year 6 families who want to understand the process and strategies to help your child navigate the Year 7 transition. Our CAMHs mental health support team will be running the session and it will be as a great opportunity to talk to CAMHs, staff and other parents about ways to support your child / children.
