### In2music 2024/25– Year 3 Class Instrumental Music Lessons at School

Dear Parent/Carer,

In September, your child will be learning to play the recorder at school as part of a whole class teaching programme, 'In2Music'. Tuition is delivered by tutors from the Berkshire Music Trust, the music service that leads the Berkshire Music Education Hub.

In2Music gives children the exciting opportunity to learn through music and develop new instrumental skills. Learning an instrument is hugely beneficial to a child's academic learning too; it has been proven that because it requires the co-ordination of physical, intellectual and emotional activity, it can bring improvements to children's schoolwork overall. Your child should make good progress in class, engaging in a wide range of musical activities which will be fun and challenging.

This specialist tuition is free, and your child will be provided with a recorder for their lessons in school. If you would like to purchase a recorder from the school for your child to bring home and practice, we have a surplus of **second-hand** recorders that we will be selling for £4.50. If you would like to purchase a second-hand recorder from us, then please complete the online form and a payment will be set up for you on Eduspot.

Yours sincerely,

Mrs Davis
