## Year 1 families

### Calculation skills workshop (100 square)

**9:00-10:30 on Tuesday 22<sup>nd</sup> / Thursday 24<sup>th</sup> October 2024**

Dear Parents,

You are warmly invited to a family learning activity where you can find out more about Year 1 maths and have fun making & playing a Missing Numbers game with your child.

1	2	3	4	5	6	7	8	9	10
11	12			15	16	17	18	19	20
21	22			25	26	27	28	29	30
31	32	33	34	35	36	37	38		40
41	42		44	45	46				50
51	52		54	55	56	57	58	59	

Sessions start straight after drop-off in the studio at **9:00am** & finish by **10:30 latest**. Resources and equipment are provided and there is no need for the person coming along to be 'good at maths' - it is a great opportunity to discover **PRACTICAL** ways to support your child's learning in school and enjoy some quality time with your small person.

*These sessions provide a wonderful (and rare!) opportunity for you to work 1:1 with your child and we would ask that younger siblings are not brought along on this occasion.*

The teachers and children look forward to welcoming you 😊
