

Dear Parent or Guardian,

Avanti Cycling is working on behalf of Bracknell Forest Council to deliver Bikeability training. Your child is eligible for free Bikeability Level 1&2 training at **Birch Hill Primary School** over 2 days, commencing on or after **2nd December 2024**.

Please register your child on to the course by 22nd October 2024 by selecting 'Enrol' at <https://avanticycling.co.uk/bikeability> or follow this direct booking link [Live Register Consent Form \(caspio.com\)](#)

You should enter the following information:

Area	Bracknell Forest
School Name	Birch Hill Primary School
Course Date	2 December 2024
Level	Level 1&2
Year Group	6

Your child does need to be able to ride his/her bike independently prior to commencing the course.

This course lasts two days and is taught at a ratio of one instructor to six trainees. We train children to ride in a safe manner incorporating real life traffic situations to create a high-quality learning environment. The course is fun and empowering for the children and adds variety to the school year by taking them out into the real world.

The Bikeability Team will be at the school for 1 week and each child will be given 1.5 to 2 days training to complete the Level 1 / 2 Bikeability course.

Please sign up **by 11.59pm 22nd October 2024**. The school will be in touch to confirm your child's place on the course once registration has closed.

The aims of Bikeability are below, please click the link for more detailed information:

[Level 1](#): cycle control skills and group riding skills in the playground.

[Level 2](#): road riding skills on local roads where available, being aware of hazards and making decisions. Compulsory to have completed Level 1.

If you have any queries, please don't hesitate to contact me.

Kind Regards,
