

Present Room – Friday 6th December

Friends will be holding a Present Room for children to buy for a special person. Each class will have time on the morning of 6th December to come to the present room in school. Presents are set out at different prices from 50p to £3, for children to choose - one per child. The present is wrapped by volunteers and ready to take home that day.

We would really appreciate any donations to fill the present room for the children to choose from. Preloved items of good condition would be very welcome, if you would be happy to receive it as a gift but don't want or need it please bring it in. We always need more presents for men and the children love to give novelty Christmas items!

Donations will be collected next week - **11th to 15th November**, please bring them into the office on any day.
