

**Year 6**

**Summer Term 1**

**How *have I* changed?  
(*Science*)**

**September 2024**

### Science:

Children will study the theory of evolution created by Charles Darwin. They will learn about his voyage across the ocean and his discoveries about animal adaptation, which caused much controversy.

Students will learn about animal and plant adaptations in different habitats, the difference between inheritance and variation, what fossils can tell us about living animals today, the theory of natural selection and where humans have evolved from.

### English:

- Information text about an activity centre  
- Alternative story ending in the style of Michael Morpurgo

**Guided Reading:**  
SATs revision

### Maths:

Statistics  
Shape  
Geometry  
Revision

*afarensis*

*Homo habilis*

*Homo sapiens*

## HOW HAVE I CHANGED?

### Art:

Darwin finch drawings – fine line sketching
