

Dear Parent or Guardian,

Avanti Cycling is working on behalf of Bracknell Forest Council to deliver Bikeability training.

Your Year 5 child is eligible for free Bikeability Level 1&2 training at **Birch Hill Primary School** over 2 days, commencing on or after **13th January 2025**.

The Bikeability Team will be at the school for 1 week and each child will be given 1.5 to 2 days training to complete the Level 1 / 2 Bikeability course.

Please register your child on to the course by 10th December 2024, using the URL or QR code below. Be sure to enter the correct Year Group for your child.

- URL: <https://consent.bikeability.org.uk/wire-oral-egg>

Your child must be able to ride his/her bike independently prior to commencing the course.

This course lasts two days and is taught at a ratio of one instructor to six trainees. We train children to ride in a safe manner incorporating real life traffic situations to create a high-quality learning environment. The course is fun and empowering for the children and adds variety to the school year by taking them out into the real world.

Please sign up **by 11.59pm 10th December 2024**. The school will be in touch to confirm your child's place on the course once registration has closed.

The aims of Bikeability are below, please click the link for more detailed information:

[Level 1](#): cycle control skills and group riding skills in the playground.

[Level 2](#): road riding skills on local roads where available, being aware of hazards and making decisions. Compulsory to have completed Level 1.

[Level 3](#): riding confidently in traffic on more complex roads, with traffic lights, multi-lanes and roundabouts where available. Compulsory to have completed Level 2.

If you have any queries, please don't hesitate to contact me.

Kind Regards,
Vera Murray
Operations Manager
