

10th June 2025

Dear Parent/Carer,

Our professional woodwind ensemble visited Birch Hill School this week and performed a concert to your child. We hope they were really inspired, and we would like to offer your child a FREE opportunity to try out a range of woodwind instruments for themselves, with a view to starting group lessons. Please click here to sign up for a free taster session [Registration - Berkshire Music Trust](#), which will take place during school time on a date agreed by the school.

Please select 'group lesson' and write 'Listen Up Taster' in the notes box. You can choose any woodwind instrument on the registration form – there will be a range of instruments available to try so you can change your mind later. By filling in this form and agreeing to our terms and conditions, you are NOT committing to anything beyond the first taster lesson. We will contact you following this to see if your child would like to continue learning.

Learning a musical instrument is fun, rewarding, great for student's mental health, and supports their academic learning.

If your child does choose to sign up for lessons going forward, they will take place in school time. Schools recognise the great benefits of learning an instrument, and are happy to facilitate this.

Taster sessions are suitable for students in year 2 and above.

Any questions, please contact admissions@berksmusictrust.org.uk

Best wishes,

Mel Hopkin
