EYFS Bug Ball

Dear Parent/Carer,

As part of our topic this half term, we will be focusing on the book 'The Hungry Caterpillar'. The children will have the opportunity to learn about a variety of things that grow and look at how we can help them to grow by taking care of them. We will also look at the life cycle of a caterpillar.

To end our topic, on **Friday 4th July 2025**, we will be having our 'Bug Ball', where the children will transform into a minibeast for the day! This means your child will be invited to dress up as any minibeast or bug. They can be as creative/ imaginative as they like; if you are struggling for ideas, dress your child in the colour of the minibeast or bug they choose.

Any questions please do not hesitate to ask. Thank you for your support!

Your sincerely,

EYFS Team
