Dear Parent/Carer,

In school we teach early reading and spelling using Floppy Phonics.

Your child's Oxford Owl account will give them access to the interactive boards which will support in practicing their sounds and reading words. Your child will have their login stuck inside their reading record book.

**To login on a computer:**

Step 1: Login to Oxford Owl website [www.oxfordowl.co.uk](http://www.oxfordowl.co.uk) and click on Oxford Owl for School.

Step 2: Select the Student Tab and use the username and password which has been stuck into the reading record book.

Step 3: Click on Floppy's Phonics to access the Phonics Sessions, you can also access EBooks on other tabs.

**Useful tips for Parents**

- The first time your child plays be on hand to guide them through. Talk about the images and explore the account with your child.
- We recommend a "little and often" approach; 5-10 minutes practice a day, 3 or 4 times a week is a good target.
- If you child struggles with a particular sound, don't be afraid to repeat it again.

Yours Sincerely,

Mrs Lawani

Phonics Leader
