

Monday 10th November 2025

Dear Parents and Carers,

It is with great sadness that I let you know that Mrs Mosthav, a much-loved member of our school community, passed away on Sunday morning.

We have shared our condolences with Mrs Mosthav's family on behalf of the whole school community.

Mrs Mosthav worked at our school for 12 years, supporting children across all year groups and, more recently, as part of our Year 1 team. She was a kind, dedicated and compassionate person who made a lasting impact on the lives of so many children, families and colleagues, both within the school and in the wider community. Her warmth and care were felt by all who knew her, and she will be deeply missed.

As Mrs Mosthav had been unwell since July and was not in school this term, I have taken the decision that it would not be appropriate to share this news directly with the children. However, you may of course choose to talk to your child about it in the way that feels right for your family.

We understand that this news may be upsetting for many, and we will be offering support to staff and any families who may need it in the coming days. If you feel your child may benefit from additional support, please do not hesitate to contact us. Families may also wish to contact Daisy's Dream or Winston's Wish.

Thank you for joining us in remembering Mrs Mosthav and for keeping her family in your thoughts at this difficult time.

Best wishes,

Mr Dillon
Headteacher
