

Friday 6<sup>th</sup> March 2026

## Multiplication Tables Check

Dear Parents/Carers,

We would like to invite you to a short information session about the **Multiplication Tables Check (MTC)** that Year 4 pupils will complete later this academic year.

The MTC is a national online check for all Year 4 pupils in England. It assesses how well children can recall their multiplication tables up to **12 × 12**. The check consists of **25 questions**, with a limited time to answer each one, and is designed to ensure pupils develop fluency in their times tables.

During this session we will:

- Explain what the **Multiplication Tables Check** is and how it works
- Show examples of the online format that pupils will use
- Share when the check will take place
- Provide ideas and resources to help your child practise their times tables at home

### **Presentation Details**

Date: Friday – 20<sup>th</sup> March 2026

Time: 5:30 – 6:00 pm

Location: online – Teams

We hope this session will help you understand how the check works and how you can support your child in developing confidence with their times tables and help them further to succeed.

If you would like to attend, please confirm your attendance through the google forms

We look forward to seeing you there.

Yours sincerely,

Mrs Khanna and Miss Callaghan
