## Year 6 Residential Trips

Dear Parent/Carer,

We are currently exploring a different option for the Year 6 residential trip for the 2026–2027 academic year. As part of this, we are considering moving the trip from its usual slot in March to September 2026.

We believe that holding the residential at the start of Year 6 will bring several benefits for the children, including providing a valuable opportunity to bond as a new year group, build strong relationships with their classmates and teachers, and develop teamwork and confidence at the beginning of their final primary year. This early shared experience will support a smooth transition into Year 6 and help establish a strong team spirit for the year ahead.

As part of our planning, we have looked at costs across a number of providers. The approximate cost of £500 is broadly in line with the prices offered by other comparable settings and reflects the typical cost of a five-day, Monday–Friday residential programme.

We are currently considering Manor Adventure in Shropshire, close to the Welsh border, for this trip.

Once we have received this initial feedback, we will organise a meeting with parents to share more detailed information about the trip and answer any questions.

Please reply to this short survey by **Monday at 9am**.

Thank you for your support.

Yours sincerely,
