

Wednesday 24th June- Money consolidation

Filip has an amount of money less than £10

- He only has £1 and 10p coins.
- He has an odd number of 10p coins.
- He has twice as many £1 coins as 10p coins.

How much money could Filip have?

Tiny has three £1 coins, four 10p coins and one 5p coin.
Tiny writes the total amount of money as 3.45p.

Is Tiny correct?

Explain your answer.

Whitney, Jo and Teddy are converting 1206p into pounds.

Whitney

$$1206\text{p} = \text{£}12.6$$

Teddy

$$1206\text{p} = \text{£}120.6$$

Jo

$$1206\text{p} = \text{£}12.06$$

Who is correct?

What have the other children done wrong?

Tom uses the digit cards to make an amount of money.

He makes a total that is more than £3, but less than £6
Find all the amounts that Tom can make.
Write them in ascending order.

Dora buys lunch.

Use the information to complete Dora's receipt.

- The sandwich costs £2.15 more than the crisps.
- The orange juice is the same price as the total price of the crisps and banana.
- The banana is half the price of the crisps.

Receipt	
Sandwich	
Orange juice	
Crisps	60p
Banana

How Jews do to show their commitment to God?

<https://www.youtube.com/watch?v=5OR3v47Zs4c> (consolidation)

<https://www.youtube.com/watch?v=72QaHckhjlw> (life as a Jewish child)

<https://www.bbc.co.uk/programmes/p02mxbli> (my life, my religion)

<https://www.youtube.com/watch?v=dUxa8E92uQc> (How does religion effect your daily life)

Year 4 RE organiser - Summer 1

What is the best way for a Jew to show commitment to God?

Key Vocabulary	
Commitment	Commitment means doing what needs to be done regardless of your talents or your mood.
Covenant	An agreement or promise
Rites of passage	Rites of passage are special ceremonies that mark your journey through life. There are rites of passage that are religious, and rites of passage that are secular.
Religious	To do with the belief in God or religion.
Synagogue	Jewish place of worship
Shabbat	The seventh day of the Jewish week and a day of rest in Judaism.
Ten commandments	For the Jews, the Torah sets out the laws, or rules, of how God wants them to live. The Ten Commandments are a fundamental set of rules.

Bar/Bat mitzvah

A Bar Mitzvah is when a boy turns 13 and becomes an adult. A Bat Mitzvah is when a girl turns 12 and becomes an adult. This means that they are now responsible for their own actions and must follow the Jewish laws.

Mitzvah day

Mitzvah Day is a Jewish led day of community work that brings thousands of people together of all faiths and none, and all ages, to give their time, not their money, to make a difference to the local community around them, on Mitzvah Day, (this year November 18th) and throughout the year.

Tu B'Shevat

Tu B'Shevat is the Jewish New Year for trees. Jewish law said that when a tree was planted, no fruit was to be eaten for the first three years. The fruit which grew in the fourth year was to be given to the Temple as a tithe. Tu B'Shevat was used as a marker to know how old the trees were; almost like a birthday for trees!

Ways for Jews to show commitment

Creating Opportunities

Responding to Emergencies

Charity work

World Jewish relief
They are the British Jewish community's humanitarian organisation. They support the world's poorest Jewish communities and respond to global disasters. Working with trusted local organisations, they focus on practical and life changing solutions.

Prayer and worship

Jews are supposed to **pray** three times a day; morning, afternoon, and evening. The **Jewish prayer** book (it's called a siddur) has special services set down for this. **Praying** regularly enables a person to get better at building their relationship with God.

Thursday 25th June

Maths- consolidation time

Max and Kim are talking about their ages.

Max

I am
9 years and
5 months old.

I am
4 months older
than Max.

Kim

What is the total of their ages?

Which is the odd one out and why?

30 hours

30 seconds

30 minutes

12 hours

Is there more than one possible answer?

Tom is sponsored 10p for every minute of silence.

If Tom is silent for 5 hours, he will raise £50

Do you agree with Tiny?
Explain your answer.

Tiny converts the 24-hour clock times into 12-hour clock times.

24-hour time	12-hour time
12:45	12:45 am
10:45	10:45 am
09:45	9:45 am
17:45	7:45 pm

Do you agree with Tiny?
Explain your answer.

Scott looks at the 24-hour time on his phone.

The hours and the minutes each have the same digits in the same order.

What time could his phone be showing?

Write the 24-hour clock time and the 12-hour clock time.

Reading.

Read together with your adult or on your own.

Write a short review of what you have read.

What was the most interesting part?

Would you recommend this to a friend? Why?

Is there anything would change about what you read?

Illustrate what you have read.

Project- History

These are the Crime and Punishment eras we have studied so far.

Romans, Anglo-Saxons, Tudors, Victorians.

PICK TWO.

Research what crime and punishment were like in those eras.

Design a poster comparing the two eras.
