

Literacy Activity 1

Design your own minibeast. Think about:

How many eyes does it have? Does it have wings? How many legs does it have?

Draw a picture of it and describe it to your adult.

Maths Activity 1

- Create your own number cards to 10, order them and ask an adult to remove a number card. What number is missing? What is 1 more than your number? What is 1 less than your number?

Play Bud's number garden:
