

Imagine you are sitting on the beach and suddenly, you see a Mermaid or Merman in the sea!

We would like you hot seat either the mermaid or merman to find out all about them.

Remember to use question words (**Where? How? What? When? Why?**)

Then write down the questions you ask.

Hot Seating – Someone sits in a chair (the hot seat!) and pretends to be a character. They are then questioned by another person/people.
