

Two weeks ago, we had an assembly about water safety.

Create a water safety poster to keep you and your family safe by a swimming pool or the beach.

Here are some things think about.

SHOWER BEFORE
USING POOL

NO DIVING
OR BOMBING

WATCH YOUR
CHILDREN

NO FOOD

NO JUMPING

USE THE STAIRS

NO LITTERING

NO SHOUTING

NO INFLATABLES

SHOWER BEFORE
USING POOL

NO DIVING
OR BOMBING

CHILDREN

You can make it as
colourful as you like
to help you get your
message across.
