Electricity – Billy Elliot the musical

Listen to the song twice and fill in the blanks.

I can't really explain it, I haven't got the words.
It's a feeling that you can't control.
I suppose it's like forgetting, losing who you are
But at the same time something makes you whole.

It's like that there's a music, playing in your ear
And I'm listening, and I'm listening, and then I disappear.

And then I feel a change, like a fire deep inside.
Something bursting me wide open, impossible to hide
And suddenly I'm flying, flying like a bird
Like electricity, electricity
Sparks inside of me, and I'm free, I'm free.

It's a bit like being angry; it's a bit like being scared
Confused and all mixed up and mad as hell.
It's like when you've been crying
And you're empty and you're full.
I don't know what it is, it's hard to tell.

It's like that there's some music, playing in your ear
But the music is impossible, impossible to hear.

But then I feel it move me, like a burning deep inside
Something bursting me wide open, impossible to hide
And suddenly I'm flying, flying like a bird
Like electricity, electricity
Sparks inside of me, and I'm free, I'm free

Electricity sparks inside of me
And I'm free, I'm free.
Oh, I'm free.
