

14 September 2026

Dear Parents and Carers

School Dinners

As you are aware, we will be using the Bromcom App, **MyChildAtSchool (MCAS)**, for lunch ordering. It will also allow you to make payments for school trips, as well as view and update your contact details.

Thank you to everyone who has already downloaded and registered for the MyChildAtSchool (MCAS) app. Lunch booking is now live on the system for you to begin ordering meals.

For children who are entitled to Universal Infant (Reception – Year 2) Free School Meals or Free School Meals, meal choices should be made on the app and you will not be charged.

We have a collection of useful help guides and video tutorials that cover account setup, topping up balances and selecting school dinners for your child through the MCAS app. These resources can be found on the MCAS page of our school website. Please find the link below:

<https://www.birchhillprimaryschool.co.uk/page/?title=MyChildAtSchool+%28MCAS+App%29&pid=959>.

If you are still experiencing difficulties after viewing the guides, please contact the school office for assistance.

If you have not yet downloaded and registered for the MCAS app, please download the MyChildAtSchool (MCAS) App from either the [Apple App Store](#) or [Google Play Store](#). You can also access MCAS via a web browser if preferred from the link: <http://www.MyChildAtSchool.com>

Thank you for your support and cooperation as we introduce this new system. We look forward to working with you to ensure a smooth transition. Should you have any questions, please do not hesitate to contact the school office.

Yours sincerely

Michael Dillon
Headmaster
