Dear Parents and Carers,

Online Parent and Teacher Meetings

Our Autumn parents' evening meetings will be taking place in just a few weeks. As in previous years, our parent's evenings will be online. This is to support as many of our families as possible to be able to attend these appointments.

We will be holding online parent and teacher meetings via video call on our new booking system. The video calls will be held between the 9th and 13th of November.

The full details of your child's class will be provided on the booking system, where you will be able to choose from multiple different available dates and times.

The appointments will last for 10 minutes. At these meetings we will be discussing your child's progress and next learning targets. If you would like to have a meeting with your child's class teacher, you will need to book an appointment via our online booking system to reserve your space. We have included some helpful information on how to access the online booking system on the next page.

Our booking system can be found at <https://birchhillprimary.schoolcloud.co.uk/> and bookings will become open at 4.00pm on Monday 26th October, and will close at 9.00am on Friday 6th November.

The details for the parent and teacher meetings will be emailed out after the appointment booking system has closed.

If you need any support with booking your appointment, please contact the school office **as soon as possible**. We may not be able to help if you leave it too late.

If you would like to arrange an appointment with Mrs Blackford, SENCo, please get in touch with the school office via email to: bhpsecretary@maidenerleghtrust.org

We will all do our best to get the system to work smoothly, but please continue to be patient and supportive as ever.

Yours sincerely,

Michael Dillon
Headteacher

This must match the information we currently hold for you on file. If you find that the system does not recognise your details, please try a different title (e.g. Miss or Ms, if Mrs does not work).

If the title we hold for you is incorrect, please let the office know via email so we can update your details for future use.

The email address will be used to confirm your appointment times; this does not have to be the same email address that we currently hold for you on file.
